9:00-11:00 a.m.

A Christ-Led Woman in Daily Life by Teri (For Ladies and Daughters)

Many women have not grown up with a Christ-led role model from whom they could learn the basics of being a Christian wife and mother. Discover how to make your home a spiritual, emotional, and physical haven.

A Christ-Led Woman's Heart by Teri (For Ladies and Daughters)

From her intense battle with depression, anger, discouragement, and worry, Teri gives practical insights into becoming a gentle mom with a quiet heart that any woman can take and apply to her individual circumstances.

9:00-11:00 a.m.

A Christ-Led Leader by Steve (For Men and Sons)

Most dads truly desire to lead their families in a way that is pleasing to the Lord. But how is that learned since many men have not had a good role model to follow? How are we to responsibly lead our families without being a dictator or being so soft as not to lead at all?

Saturday Schedule Continued

11:15-12:30 p.m.

**Keeping Our Children's Hearts for Christ
by Steve and Teri (For Parents)**

This powerful session shares the joys and outcomes of our vital priority—keeping our children's hearts. Rebellion and immorality are common among teens even within the Christian community. What can parents do to direct their children toward godliness rather than worldliness? Tried and true lessons from parents whose children have not rebelled—this topic represents perhaps the greatest challenge every Christian parent faces.

**Success or Failure—Where Are You Headed?
by Christopher, 28 (For Young Men)**

Young men have incredible potential for success in their lives—both spiritually and vocationally. The goal of this session is to explore how the different aspects of a young man's life will affect his future. There are tragic pitfalls to be avoided and crucial steps to be taken that lead to success in both the spiritual and business world.

**Experiencing the Joy of Young Womanhood
by Sarah, 25 (For Young Ladies)**

Sarah will explore aspects of a young woman's life that lead to true joy. It all starts with the foundation—your relationship with Jesus Christ. She delves into hindrances to joy as well as practical aspects of it. Young ladies of any age who can sit quietly are welcome to attend.

12:30-1:30 p.m.

Lunch

Your family is welcome to bring sack lunches to eat in the Equipping Center of the church. There are also many fast food restaurants within driving distance from the church.

1:30-2:30 p.m.

**Managers of Their Chores: How Chores
Facilitate the Christ-Led Family
by Teri (For Ladies)**

Most families would agree that it is important to have their children pitching in to help by doing chores. However, striving for the achievement of that goal is another matter. From preschoolers to teens, each person can be a contributing member of the family while gaining life-long personal benefits that prepare him for life.

**Christ-Led Family Devotions—Here's How Guaranteed
by Steve (For Men)**

Tried them and failed? No time for them even if you wanted to? Never tried because you knew it would be too big of a battle, or it was just not important? Steve will give practical advice for achieving success in family devotions that he guarantees will work.

**Evangelism—Effectively Sharing Christ & Loving It
by Christopher, 28 (For Young People)**

From overcoming fear, to studying how Jesus witnessed to the lost, to the missing ingredient in modern evangelism, this session is designed to equip, motivate, and encourage you! You'll hear real life examples that resulted from everyday opportunities—opportunities that you can also experience. Transform your desire to share into reality!

2:45-3:45 p.m.

**Christ-Led Discipleship of Our Children
by Steve (For Dads)**

What are the daily aspects of discipling our children? Be encouraged and challenged in this practical session on the task to which God has called each parent.

**A Christ-Led Wife's Love for Her Husband
by Teri (For Ladies)**

It is easy for a mom to become consumed with children and day-to-day life. This leaves the opportunity for creating a huge gap in her relationship with the key person in her life—her husband. Don't damage or lose that special relationship with your husband but rather develop and strengthen it.

**How to Start and Run Your Own Home Business
by Christopher, 28, and Sarah, 25 (For Young People)**

During their teen years, young people have incredible opportunities to start, run, and build successful businesses. You'll come away with specific ideas—and hopefully a big dose of motivation—to start your own business!
